An aerial photograph of a town with a grid-like street pattern. A red circle is overlaid on the left side of the town, containing a yellow crosshair. The text 'RECORRIDO A PIE' is written in purple inside the circle. A long red double-line arrow points from the bottom of the circle towards the top right corner of the image. Several shorter red double-line arrows branch off from the main path, pointing in various directions within the town's streets.
